## **Horder and Langlais Awards**

Vice-Commodore Cleve Hardaker, who chaired the awards committee, commented that because of making additional contacts with individual yacht clubs, rather than just the PCYA member associations, he was able to get more nominees for the 2006 awards than in recent history. S/C Bill Lewis led the group in a hearty thanks to Cleve for his diligent effort. Then V/C Hardaker announced that although not present, the winner of the Garrett Horder Award for 2006 is King Harbor Yacht Club of SCYA. S/C Paul Artof will make that presentation at their Opening Day ceremonies in the Spring.

The winner of the Charles Langlais Award is Stan Honey from South Beach Yacht Club in San Francisco and member of PICYA. Sec/Treasurer Joan Marsh-Clune will make that award presentation at a PICYA meeting in the near future in the SF Bay Area.

V/C Hardaker thanked all present who served on the selection committees and who helped get the word out to the various organizations encouraging them to submit nominations for the awards.

The meeting was adjourned until the next morning at 11AM when it will be reconvened with the 2007 officers presiding.
